

Gym Transformation Campaign

A One-Time Donation = 25 Years of Gratitude & Visibility for your Business

Intro to Gramercy

For over 40 years, Gramercy Christian School has been serving the **Communities** of Carteret and Craven counties, equipping students with an exceptional education and a strong spiritual foundation. Our mission is to partner with parents in guiding students (K4–12) from a biblical worldview, helping them to KNOW, GROW, and GO into the world as kind, grateful, and capable individuals who impact the world in a positive way.

Community Usage of Gym

Built in 1999, the Gramercy gymnasium was envisioned as a place not only for GCS students to thrive but also to serve as a hub for the entire **Community**. Over the years, it has been a vital resource for local churches, homeschool groups, dance studios, wrestling organizations, and others—all **free of charge**. The gym has hosted diverse events like The Nutcracker, sports banquets, birthday parties, and even graduation ceremonies. It stands as a testament to Gramercy's commitment to **Community** connection and service.

Gym Transformation Campaign

We're calling on our Community to help us raise **\$110,000 in 110 days** to renovate our gym, creating a safer, more inspiring space for our student-athletes and the many Community programs that rely on this facility. We'll use the funds to replace the aging gym floor and update the bleachers, which will truly modernize the facility and give our many sports programs a venue in which they can proudly compete and thrive! Additionally, the many Community events that are hosted in the gym will enjoy a modern, fresh facility.

25 Years of Advertising

By becoming a Sponsor, you will ensure long-term recognition for your business while having a hugely positive impact in your Community. The **Legacy Plaque Wall** in the Gym will stand for at least **25 years** as a testament to your generosity and commitment to Gramercy Christian School. This is a unique opportunity to **advertise** your business to countless families, visitors, and future generations in a meaningful and lasting way.

As the **only private high school** in the county with a significant sports program, our gym is a hub for numerous events, games, and gatherings. Your brand will be seen by students, parents, community members, and visitors **year-round for 25+ years**, delivering valuable, long-term visibility.

How to become a Sponsor

In this packet, you'll find a digital rendering of the **Legacy Plaque Wall** shown in the planned location DIRECTLY at the entrance/exit of the Gym to maximize exposure. The signage will be of the highest quality, and we are committed to displaying this in the Gym for 25 years, so your legacy of **Community** support will last for decades! We are offering 3 different levels of Sponsorship, each one with an appropriate and commensurately sized Legacy Plaque that can display your company's name, your name, the name of someone you wish to honor, or the name of someone special who is no longer with us. **Simply navigate to <https://gramercychristian.org/gym> to donate via credit card or bank transfer**

A Tax-Free Contribution

Gramercy Christian School (GCS) is a registered 501(c)(3) nonprofit organization, which means your sponsorship or donation may qualify as a charitable contribution under the guidelines of the Internal Revenue Service (IRS). Contributions made to GCS may be deductible from your federal income taxes, allowing you to reduce your taxable income. This can apply to both personal and business donations, helping to offset your regular income or business earnings. Supporting GCS not only provides tax advantages but also strengthens your brand's presence in the community by aligning with a trusted and impactful organization that prioritizes education, youth development, and community enrichment. Gramercy Christian School will provide an official receipt acknowledging your donation, which you can use for tax filing purposes.

Before making a contribution, we recommend consulting with your tax advisor or accountant to ensure compliance with all relevant IRS regulations and to confirm how your donation can best align with your tax strategy.

A Personal Note from the Head of School

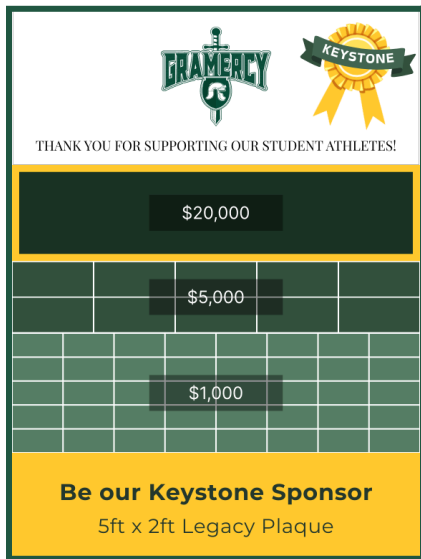

It has been my honor to serve as the Head of School at Gramercy Christian School for the past eight years, during which our campus has experienced incredible growth both in enrollment and facilities. As a parent of three GCS graduates and a rising senior, I've seen firsthand the lasting impact of both excellent academics and meaningful extracurriculars.

At GCS, over half of our middle and high school students participate in sports, and the majority of them excel academically, ranking in the top half of their classes. Beyond athletic skills, these students embody respect, motivation, and responsibility—qualities that reflect the core values we strive to instill. Youth sports offer life lessons that complement the classroom, teaching teamwork, discipline, and perseverance. For this reason, maintaining and improving our gymnasium is as crucial as selecting the right curricula for our students. With your support of the Gym Transformation Campaign, you'll be making a lasting investment in our students, our school, and our Community.

Your generosity will directly impact not only the next generation of student-athletes but also the countless Community members who benefit from our gymnasium. Together, we can ensure that this space continues to inspire growth, excellence, and fellowship for decades to come.

With gratitude,

Kara Withee
